### FD601A-1 GRILL MOTOR WITH ADAPTOR

#### FUYAO Patented Grill Motor with 1.5V Adaptor FD601A-1

**Grill Motor Specialty:** The most professional grill motor manufacturer.

It's another use choice for FD601A-1 grill motor. Usually it's battery powered way. There are some shortage for only battery power supply. It's not so environmental to use too many batteries. What is more, it will be very bad for your happy barbecue time when the battery is out of power and you have no way to get another new one in a short time. But now, everything is ok to avoid such problem. You can use our grill motor with adaptor indoor freely. Save batteries and environmental!
