FD601A-2 GRILL SPIT MOTOR(DC 5V)

Patented Grill Spit Motor with USB Line FD601A-2 (DC 5V)

Specialty: The most professional grill spit motor manufacturer. It's the new idea of power supply for the USB line connecting to the power bank. On one side, it's more convenient to take and use. 5V motor is much stronger output torque. On the other side, it's environmental by saving lots of batteries. Of course, that will be highly appreciated if you have any other ideals to improve our grill spit motor. Welcome to discuss the future.
